## Directions from nearest Subway Stations

### Azabu-Juban St. Oedo/Namboku Lines

Exit 6 (8 min walk) - After coming out of the exit turn around 180 degrees and walk all the way up the hill until you come to a large intersection, at the corner immediately turn right and then after 20 meters you will see our building; the entrance is on the right side of the building.

### Roppongi-Itchome St. Namboku Line

Exit 2 (9 min walk) - At the main ticket gate turn right and go up all four escalators, then outside turn left and go up the hill, keep walking straight until you come to a large intersection, cross over the road and turn left immediately after 20 meters on your right you will see our building; the entrance is on the right side of the building.

### Roppongi St. Hibiya/Oedo Lines

Exit 3 (10 min walk) - Coming out to the street, turn right and walk towards Roppongi Crossing, at the crossing turn right again and walk down the street towards Tokyo Tower until the next large intersection, cross over the road (under overpass) and after 20 meters on your right you will see our building; the entrance is on the right side of the building.

**PLEASE NOTE:** The first floor intercom on the left requires you to punch 601 and then the 呼出 button once you've arrived to gain access to the elevator. We are on the 6th floor and are looking forward to meeting with you.
